Accessible Entrance

CAMPUS ACCESSIBILITY

Accessible paths and walks with no obstructions. These routes are generally connected to designated accessible parking lots and building entrances.

Surfaces may not be suited for wheelchair travel and will require stronger individuals to navigate routes. Usually, there are no intermediate rest areas.

Cross Campus Dr

10

University Ave

No accessibility for wheelchair travel. Individuals with limited stamina will find these routes too difficult. Grade changes are too steep, surfaces are rough and there are dead ends and other obstructions.

Please note: Routes shown are subject to change depending on campus construction and/or any maintenance work. Posted parking restrictions at each lot take priority over printed material
